Graphic Design and Visual Communication

I am in continuous training in search of new tools and techniques that enrich my professional growth. Always looking for new challenges! I declare myself a design lover. I have experience in UX UI design and also managing esthetics in different types of companies where I faced several projects creating concepts for different communication channels.

EXPERIENCE.

2021 TO PRESENT

ARTBRAIN / ANYLOT

UX/UI & Graphic Designer

In a startup environment as the sole graphic designer, I conceptualized and executed the company's visual identity across all channels, ensuring cohesive and effective brand representation. I led the creation of impactful visual presentations for business meetings and potential VC fund raises, effectively conveying the startup's mission and potential.
